

REMINDER!!!

City of Fort Lauderdale Public Works Department to Chlorinate Water System

Water Treatment Scheduled for November 5 - November 26, 2013

- What:** The City of Fort Lauderdale Public Works Department will temporarily switch to using free chlorine in its drinking water system. Free Chlorination is a common practice for water systems using combined chlorine disinfection. The chlorination period is anticipated to be transparent; however there may be a slight change in the taste or smell of tap water. In addition, some customers may notice water running from fire hydrants in their neighborhoods. This is part of the normal maintenance process.
- When:** This preventive maintenance procedure will begin at 9 a.m. on Tuesday, November 5 and will end at 9 a.m. on Tuesday, November 26, 2013.
- Who:** This procedure will affect the City of Fort Lauderdale, as well as Lauderdale-by-the-Sea, Port Everglades, Village of Sea Ranch Lakes, Wilton Manors, and sections of Davie, Oakland Park, and Tamarac (east of State Road 7/441).
- Contact:** Customers or facilities that receive a utility bill from the City of Fort Lauderdale should contact the 24-hour Customer Service Center at www.fortlauderdale.gov/customerservice or call 954-828-8000 for more information.

Customers or facilities that receive a utility bill from other municipalities or entities should call their respective water provider's customer service phone number.
