

LAUDERDALE BY THE SEA

CHANGE OF DESIGNER HOLD HARMLESS AGREEMENT

In accordance with Florida Rule 61G15-27.001, and referencing the permit/job site identified below, I the undersigned, as successor professional designer seeking to reuse already sealed contract documents under the successor professional designer's seal, acknowledge that I must be able to document and produce upon request evidence that I have in fact recreated all the work done by the original professional designer. Calculations, site visits, research and the like must be documented and produce able upon demand. Further, as the successor professional designer I must take all professional and legal responsibility for the documents which I have sealed and signed and can in no way exempt myself from such full responsibility. Though plans need not be redrawn by the successor professional designer; I realize however, justification for such action must be available through well-kept and complete documentation that as the successor professional designer I have rethought and reworked the entire design process. As the successor professional designer, I must use my own title block, seal and signature and must remove the title block, seal and signature of the original professional designer before reusing any sealed contract documents. Prior to sealing and signing work, as successor professional designer, I have notified the original professional designer, his successors, or assigns by certified letter to the last known address of the original professional designer of the my intention to use or reuse the original professional designer's work. As the successor professional designer, I will take full responsibility for the drawing as though they my original product.
